CYCLE-CROSS CHAMPIONSHIPS HELD LAST SUNDAY

Cycle-cross enthusiasts took advantage of Sunday's extraordinary weather to compete in a series of races for the Bethel Junior and Maine Senior Cycle-cross championships. These events were the last of a series which were promoted by the Horizon group of the Bethel Bicentennial Committee. Cycle-cross is an example of a recreational activity which can be initiated with an absolute minimum of cost and which affords a wide variety of competitive opportunity for both children and adults. Racers cycle over cross-country terrain, occasionally dismounting and carrying their bikes over obstacles or rough ground. In short, it is a combination of bicycle racing and cross-country running.

The events were held on Gould Academy property off Lovers' Lane, an area which offers an excellent variety of courses. The steadily increasing enthusiasm and participation of riders has created a basis for the further development of cycle-cross as a sport or recreational alternative in Bethel.

Participants in and results of Sunday's events were as follows: Elementary single speed, 0.2 mi.—1 Steve Snyder; 2 Jeff Bartlett; 3 Karl Barth. Elementary multiple speed, 0.4 mi.—1 Scott Hurd; 2 Bryan O'Donnell; 3 Erik Froberg. Junior High, 0.75 mi.: 1 Jeff Hastings; 2 Tony Butters; 3 Tim Cross; 4 Chuck Hurd. Seniors, 6.0 mi.—1. Art Froberg, Bethel; 2 Doug Gondola, Waterville; 3 Ken

WINNERS in the Cycle-Cross championships, left to right, are: (front) Steve Snyder, Scott Hurd, Jeff Hastings; (middle) Karl Barth, Erik Froberg, Tim Cross; (back) Jeff Bartlett, Bryan O'Donnell, Tony Butters.

ART FROBERG, winner of the Cycle-Cross seniors race, dismounts as he enters the woods in mid-race.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

Last spring application was made to the Dept. of Housing and Urban Development by the town to participate in the National Flood Insurance Program, the town having adopted flood plain management regulations. The application was approved on Aug. 8, 1975. Persons owning buildings in flood prone areas may apply to their insurance agent for flood hazard insurance at subsidized rates.

Representatives of the Edward C. Jordan Co. met with the Selectmen on Oct. 7 relative to problems at the sewer treatment plant. Two of the four aerators have been replaced with new aerators, and according to tests by Jordan engineers the performance has greatly improved over the ones originally installed. The problem of freezing in the ditches will still exist until a structure is built to enclose them. There is still \$11,400 on hand in the sewer construction fund. Jordan's state that there is still due \$45,226 from State and Federal sources that can be used. Jordan's have been instructed by the Selectmen to submit plans for a cover to be erected over the aeration ditches as well as plans for a sludge dewatering process which would be much more efficient than the present drying beds. They also are to prepare applications to State and Federal agencies for additional funds to assist in covering the cost. A written proposal to be submitted to the Selectmen for review prior to any authorization to proceed with any plans.

Beginning Tuesday, Nov. 18, the dump will open at 11 a. m. and close at 5 p. m. on Tuesday, Wednesday, Thursday and Friday. The hours on Saturday and Sunday will be from 9 a. m. to 5 p. m.

On Nov. 3 the Highway Dept. completed the stockpiling of 3,810 yards of sand for winter use, to which 140 tons of salt was added. This is a ratio of one ton of salt to 27 yards of sand.

BETHEL HISTORICAL SOCIETY HOLDS MONTHLY MEETING

The monthly meeting of the Bethel Historical Society was held on Nov. 6 in the meeting room of the Dr. Moses Mason House. Reports on the Bay State Historical League and the American Association for State and Local History joint meeting held at the Colonial Hilton in Northampton, Mass., were heard. The curator, Stanley Howe, also reported on the regional meeting in Wilton at which Marius Peladeau, Project Director of the Maine League of Historical Societies and Museums conducted a workshop on paper conservation. The program for November featured a workshop on historic sites. Guidelines were established and many useful suggestions made as to what sites should be designated historically significant as part of the Heritage program of the Society for the Bicentennial year.

Approximately 20 people attended the first of the Society's Bicentennial film series. This one "America: The Making of a Revolution" features Alistair Cooke. The next film will be in January 1976.

The Society deeply regrets the passing of a dedicated member, Mrs. Hazel Trinward. Much sympathy is extended to her family by the membership.

Recent visitors at the Moses Mason House have included the Christian Valley Literary Society and the Bridgton Literary Club.

The Bethel Historical Society will sponsor a continuing exhibit in the lobby of the Bethel Savings Bank. This month's feature is a display of Thanksgiving cards c. 1900. Everyone is encouraged to view these during the Thanksgiving season.

FINAL PLANS MADE FOR BLOOD DRAWING CLINIC TO BE HELD NOV. 24

Red Cross volunteer workers and interested citizens met Wednesday morning at the Bethel Savings Bank to finalize plans for the blood drawing clinic to be held at Gould Academy the afternoon of Nov. 24.

Guest speaker was Harry Wong, blood coordinator from the Portland Chapter of the American Red Cross, who explained the various uses of whole blood, which may also be separated into plasma, red blood cells or platelets, for specific uses, thus assuring better and/or multiple use of each pint donated. He also explained the rigid testing blood undergoes before it is used for a patient and the new processes whereby red cells can be frozen for an indefinite length of time or plasma kept frozen for a year. This is compared to the 21 day life of whole blood.

The Portland Red Cross blood bank services 21 hospitals in our area and is there for anyone who needs it. With the holidays approaching and the usual increases in accidents at this time of year, the need for blood becomes more acute. Can you think of a better gift this holiday season? Plan to give a few minutes of your time and donate a pint of blood on Nov. 24. If you are not approached at your place of business or by a volunteer at a store, bank or through an organization, to which you belong, call before Nov. 20, Mrs. Nellie Frankiewicz, 824-2643, and a volunteer will contact you with an appointment time.

More volunteers are needed and one may offer their services by contacting Mrs. Frankiewicz or if you would rather donate your cooking talents the clinic will need approximately 50 dozen cookies, so call cookie chairman Eleanor Jodrey, or Mrs. Frankiewicz if you could furnish a supertime casserole or salad to serve the blood drawing volunteers.

to utilize district facilities for Catholicism instruction during non-school hours.

By direct request of the head boys' basketball coach, the appointment of a second assistant coach is placed again before the board.

Also on the agenda is a request to authorize Telstar Principal Brian G. Flynn, to accept an invitation to attend the 60th Annual NASSP convention in Washington, D. C., Feb. 13-18, 1976. Authorization for a field trip to the Southwest Planetarium for the Physics Program on Dec. 17 is sought.

It will be recommended by the superintendent that the board adopt a schedule of special meetings for the twin goals of board and public information on the subjects of: Laws and Schools Today, Election of a Superintendent, and Budgetary Procedures. Also requested is formation of an Educational Advisory Committee to implement the statutory requirement that "...public employers of teachers shall meet and consult but not negotiate with respect to educational policies."

IN MEMORIAM

In Loving Memory of our Son Roger Scott Herrick, Nov. 15, 1973. God knew that he was suffering that the hills were hard to climb so he took him away to heaven and whispered peace be thine. Away in the beautiful hills of God in the valley that knows no pain. Sometime, someplace we know not when we'll meet our loved one again. Sadly missed by Dad, Mom and Sister, Grandparents, Aunts, Uncles, and Cousins.

70th Annual Fair and Chicken Pie Supper Nov. 20

On the Thursday before Thanksgiving in 1906 the first church fair and chicken pie supper was held by the ladies of the West Paris Universalist Church and it has been held on that date every year since that time. It was noted that in 1906 the tickets were 25 cents for adults and 15 cents for children under 12, and that a profit of \$137.60 was realized. The attendance at the supper must have been very large and many articles must have been sold at the fair in order to have made that much money at prices in effect back in 1906.

The supper this year is in charge of Helen Farar and Eleanor Inman. Cynthia Lamb and Mary Emery are in charge of the fair. Articles on sale at the fair will include aprons, fancy work, new cook books being published by The Forward Fellowship, food, candy, vegetables, preserves, Christmas decorations, etc. Every one interested in the church is welcome and encouraged to make articles for the fair. They can be left with either of the ladies in charge or will be picked up on request.

The fair will be held from 2 p. m. through the supper hour. Supper will be served at 5:30. The tickets for the first tables will go on sale at 4:30.

Magalloway & WILSON'S MILLS

Mrs. Bertha West, Corres. — Azigcoos Grange No. 402 held their meeting Saturday evening at their hall. The first and second degrees were worked on four candidates. A good time was had by all.

We had a thunder shower in the late afternoon Saturday and lost our electricity for over two hours. The wind blew very hard and the rain came down fast for a few minutes.

Mr. and Mrs. Donald Glover were busy over the week end jacking up their barn and getting some posts under it.

Bertha West started out for "supposedly" a little ride over on the new road Sunday morning and landed in Meganic for dinner and back in Rangeley for supper. Thinking I was just going for a short ride they said to see if we could see any animals, I did not take my wallet. That about spoiled the day for me for I felt like a "bum".

We are sure enjoying the beautiful Indian summer. It's really hard to believe Thanksgiving is only two weeks away, with such warm weather.

On Monday we started our dental exams at Dr. Rice's. The first four to go were Steven Brown, Rusty Tuttle, Sandy Murphy and Alison Chapman. We also journeyed to Linda Haegle's farm in Newry on Monday where we enjoyed meeting all the farm animals and pizzas for lunch. Thanks again Linda for having us.

Our week was shortened because of Veteran's day Tuesday. We were all glad to get back to the Center on Wednesday. On Thursday Kelly Cole, Darlene Morin, Linda Howard and Nancy Lamontagne had their dental exams.

Our thanks this week to Mrs. Silvernail from the Locke Mills Laundromat for her donation of empty detergent boxes and wallpaper. We used these to make individual containers for each child for holding their papers and drawings.

We have Cathy Littlefield working with us on work-study from U. of M. We all enjoy having her.

We are looking for donations of winter coats and clothing for use at school.

Remember—Our door is always open. Come join us some day!

MAINE TREE GROWTH TAX LAW WORKSHOP AT RUMFORD, NOV. 19

You are invited to a Maine Tree Growth Tax Law Workshop which is co-sponsored by the Thresh-

old to Maine Resources Conservation and Development Project and the Maine Forest Service. The session will start at 7:00 Wednesday evening, Nov. 19, at the Rumford High School.

Robert Umberger, Taxation Specialist with the Maine Forest Service, will conduct the workshop type of meeting which is intended to inform woodland owners and town Tax Assessors regarding the relatively new Tree Growth Tax Law.

Taxation under the Tree Growth Tax Law is mandatory for owners of any parcel of forest land which contains more than 500 acres; however, an owner of a parcel containing forest land of 500 acres or less has a choice of being taxed under the present ad valorem system or may elect to be taxed under the new system. It is a decision which should be carefully considered as the landowner becomes subject to a penalty if in the future land is converted to some use other than the growth of trees and forest products.

Tax Assessors and woodland owners are encouraged to attend. The session will be free of charge and coffee and donuts will be served.

CUB SCOUTS, DEN 1

On Thursday we worked on our flag achievement. We got our progress toward ranks, badges and beads. We played soccer after our meeting.—Keith Wight, Denner.

Letters to the Editor

November 7, 1975

To the Editor:

I would like to offer the following clarification of the comments in the Peter Goodman article in the Nov. 6 issue of the "Citizen" regarding the study of Bethel's recreational needs by the Horizon Group of the Bethel Bicentennial Committee.

The study does not involve a specific project—namely "the development of a recreational park, with a swimming area, tennis and basketball courts and the like." Those who have followed the Horizon Group's publicity in the "Citizen" and studied the questionnaire distributed between Oct. 26 and Nov. 7, will recall that the study in question concerns primarily the development and coordination of programs, as well as attempting to gauge public sentiment on a wide variety of facilities which at some time might be constructed if a need were demonstrated.

It has always been the operating premise of the Horizon Study Group that many recreational activities are possible utilizing existing facilities at low, or no cost to the town or individuals. It is the goal of the Horizon Group to find out what programs are of interest to the residents of Bethel, and to generate support for the appointment of a Recreation Board by the Selectmen. Such a Board is required for application for state or federal grants, large

COUNCIL OF CHURCHES IS PROPOSED AT THURSDAY MEETING

At a meeting held Thursday evening, Nov. 6, at the United Methodist Church Parsonage, representatives of several local churches, discussed the formation of a Council of Churches for this area. The idea is to foster interchurch fellowship and local missions and to be able to offer additional services that are impossible to do within a single church unit. In attendance were members from the United Methodist Church, Church of the Nazarene, Our Lady of the Snows Church, West Parish Congregational Church and the Newry Community Church.

Plans were made for a community Thanksgiving service to be held Nov. 26 at the West Parish Congregational Church.

The next meeting of the group will be Thursday evening, Dec. 4, at the home of Owen Wight, Newry. Anyone interested in this proposed council is welcome to attend.

OXFORD POMONA #2

Oxford Pomona #2 met with Round Mountain Grange, at Albany, Nov. 4, who served a bountiful supper in self-service style. There were 62 in attendance at the meeting.

Reports of officers and committees were given before the new officers were installed by Erwin Webber, Executive Committee of the Maine State Grange and his staff. The officers who were installed were: Master, Neil Conant; Overseer, Hugh Roak; Lecturer, Marion Bennett; Steward, Russell Yates; Asst. Steward, Raymond Tripp, Jr.; L.A.S., Vicki McAllister; Chaplain, Barbara Bennett; Treas., Josephine Tripp; Secretary, Hazel Conant; Gatekeeper, Winfield Bennett; Ceres, Maxine Roak; Pomona, Elinor Calden; Flora, Selma Chapman; Ex. Com., Francis Conant.

Master Neil Conant gave an interesting report on the Maine State Grange session. Dues had been increased from 62 cents to 75 cents in State Grange. Philip Chadbourn of Bethel was chosen outstanding Tree Farmer of the year. The Pomona Lecturer Marion Bennett received the blue ribbon on her Lecturer's note book. Azisacos Grange received an award for the most initiations for the year. Gall Butterfield received the Honor Lecturer's Sash for the subordinate Lecturer's note book of programs at Lakeside Grange. Also, Gladys Mahar received the award for her C.W.A. notebook; Lida Trott on pillow cases, Beatrice Wyman, on a shawl, received awards. At a meeting held Thursday evening, Nov. 6, at the United Methodist Church Parsonage, representatives of several local churches, discussed the formation of a Council of Churches for this area. In attendance were members from the United Methodist Church, Church of the Nazarene, Our Lady of the Snows Church, West Parish Congregational Church and the Newry Community Church.

Plans were made for a community Thanksgiving service to be held Nov. 26 at the West Parish Congregational Church.

MON SATURDAY

Greenwood City — Newry

— Mrs. Collette Morgan, Corres. —

Tonight as I stepped outside, the stars were twinkling here and there, and the moon was low in the sky. A damp breeze swept past from time to time. The stillness was so profound, I'm sure I could have heard a mouse's jack-of-brushing the stems of the grasses had there been one passing. Whispers of the night were audible; the trees enveloped in shadows. On the shore beyond the road I could hear the waves dancing like lambs.

Only a few hours ago the day dawned in the most grandiose manner. The entire east shimmered orange and pink, a magnificent beginning.

So many lovely days that again we have taken fitting trails. In these days of sunshine, when we have been time-rich we have enjoyed them. Soon the last breath of autumn will slip away as the geese have, baying and yelping as they passed over head.

One day we followed a brook off the main highway deep into the woods. There is nothing like one to put one into a relaxing frame of mind. We ate our lunch amid glacial boulders here and there rolled to the waters edge. The water fall ahead made a confusion of whiteness in every figure and fury you could imagine. Forms rising and falling; on rushing, bursting and dissolving, filling all the arching way with reverberating music, until somewhere far down stream it achieved peace.

We, like the hills around us, leaned back in majestic repose. The noon day radiance covered these hills so softly adorned. How fine the company they keep; their feet among beautiful groves, their heads in the sky. Each season at some time they are bathed in water, light, and flowers leaning against their feet. The clouds and winds wreath them as the years pass.

Leaving the brook on our way back we traversed to a side ridge then descended into a bottom land only to rise again to where the white pines spread their great plumes to the winds.

"Trees that spread their branches skyward,
Seeds that split the earth apart
Seeking light and air and freedom,
Music that can stir the heart."

Viney Wilder
An abundance of living forms survive in these surrounding. Lichens of a wide variety of species form on the rocks and tree trunks. Mosses, in addition to white birches, spruces, alders, blueberries and lambkill.

Chickadees talked excitedly trying to convey important messages we couldn't decode.

In places there were jumbles of great rotting logs; all that remained of a former woods operation. Some were decorated with fungus of bright red caps and miniature wine goblets.

So we walked onward, as through the sound of a giant box of cornflakes to the open landscape.

Another month and the snow will drift along this trail...and we will remember the paths follow-
